December 18, 2024 (6:30 p.m.**)

**NOTE: a special meeting at 6:00 p.m. will be held to swear in newly elected Board Members.

Community Center

LOCATION CHANGE DUE TO CONSTRUCTION

Community Center

810 Oak Ln

Rio Linda, CA 95673

Our Mission is to provide a safe and reliable water supply in a cost-effective manner.

AGENDA

The Board may discuss and take action on any item listed on this agenda, including items listed as information items. The Board may also listen to the other items that do not appear on this agenda, but the Board will not discuss or take action on those items, except for items determined by the Board pursuant to state law to be of an emergency or urgent nature requiring immediate action. The Board may address any item(s) in any order as approved by the Board.

The public will be given the opportunity to directly address the Board on each listed item during the Board's consideration of that item. Public comment on items within the jurisdiction of the Board is welcomed, subject to reasonable time limitations for each speaker. Public documents relating to any open session item listed on this agenda that are distributed to all or any majority of the members of the Board of Directors less than 72 hours before the meeting are available for public inspection at the District office at 730 L Street, Rio Linda, CA 95673. In compliance with the Americans with Disabilities Act, if you have a disability and need a disability-related modification or accommodation to participate in this meeting, please contact the District office at (916) 991-1000. Requests must be made as early as possible, and at least one full business day before the start of the meeting.

- 1. 6:00 P.M. Special meeting to execute the oath of office for recently elected RLECWD Board Members. This is a ceremonial purpose and no formal Board actions will be taken. The public is welcome and refreshments will be provided.
- 2. 6:30 P.M. CALL TO ORDER, ROLL CALL, & PLEDGE OF ALLEGIANCE
- 3. PUBLIC COMMENT
 - 3.1. Members of the public are invited to speak to the Board regarding items within the subject matter jurisdiction of the District that are not on the agenda or items on the consent agenda. Each speaker may address the Board once under Public Comment for a limit of 2 minutes. (Policy Manual § 2.01.160).

4. ELECTION OF OFFICERS AND 2024 BOARD MEMBER ASSIGNMENTS

- 4.1. The Board will elect officers, President and Vice President of the Board. Following the election of the new officers, the new President (if applicable) will assume the Chair responsibilities for the remainder of the agenda.
 - 4.1.1.Comments from outgoing President
 - 4.1.2. Comments from incoming President
- 4.2. Confirmation of Committee Appointments and other Board Member Assignments
 - 4.2.1. The Board will consider voting to confirm appointments and assignment and/or discuss alternative timing / accommodations for ratification of appointment & assignments.
 - 4.2.1.1. Executive Committee (two Board Members)
 - 4.2.1.2. Association of California Water Agencies (ACWA)
 - 4.2.1.3. ACWA Joint Powers Insurance Authority (JPIA)
 - 4.2.1.4. Sacramento Groundwater Authority (Primary and Alternate)

10. RETURN TO OPEN SESSION, REPORT OF ACTIONS TAKEN IN CLOSED SESSION

11. DIRECTORS' AND GENERAL MANAGER COMMENTS

12. ADJOURNMENT -

Upcoming meetings:

Executive Committee

January 8, 2025, Wednesday, 6:00 pm. Visitors / Depot Center, 6730 Front St. Rio Linda, CA

Board Meeting (subject to Board Confirmation)
January 27, 2025, Monday, 6:30 pm. Visitors / Depot Center, 6730 Front St. Rio Linda, CA

Items for Discussion and Action Agenda Item: 4.1

Date:

December 18, 2024

Subject:

Election of Officers

Staff Contact: Timothy R. Shaw, General Manager

Recommended Committee Action:

N/A Not Discussed at Committee.

Current Background and Justification:

It is the District's policy for the Board to annually elect a President and Vice President at the December regular meeting. The Board will take nominations and vote for the offices of President and Vice President of the Board of Directors. These offices typically remain in effect until December the following year unless impacted by vacancy or subsequent reconsideration by the Board.

Clarifications:

- In voting for a nominated office, the nominee is <u>not</u> required to abstain from voting.
- It is acceptable to nominate the current officer(s) for a consecutive term.
- Each office (President and Vice-President) should be nominated and voted upon separately.
- The current President should entertain motions for electing an officer, e.g. the President. Then, when all motions are complete, the Secretary will be directed to call role. If more than one Board Member has been nominated, each Board Member is to respond by indicating which nominee is his/her choice for the office. The elected officer will be the Board Member who receives at least 3 votes. If only one Board Member is nominated, the appropriate role call response would be "Yea" (yes) or "Nay" (no).

This item is necessary in order to carry on the business of the District.

Conclusion:

I recommend the Board nominate and fill these positions. Upon completion of the process, the newly elected President immediately assumes the duties and responsibilities of President.

Items for Discussion and Action Agenda Item: 4.2

Date:

December 18, 2024

Subject:

Committee Appointments and Board Assignments for 2025

Staff Contact: Timothy R. Shaw, General Manager

Recommended Committee Action:

N/A committees do not review this item.

Current Background and Justification:

District Policy requires that the President, with the concurrence of a majority of Board Members, assigns participation for standing committees, ad hoc committees and various membership agencies. Then, the Board must approve these assignments for, among other things, conformance with director compensation statutes/policies.

The currently established standing committee is *Executive Committee*.

The current membership agency assignments, which are subject to Board assignment are Association of California Water Agencies (ACWA) and ACWA Joint Powers Insurance Authority (ACWA-JPIA). Note: additional assignments for Sacramento Groundwater Authority (SGA), and Sacramento County Local Agency Formation Commission (LAFCo), entail a District nomination and subsequent confirmation process by another agency.

The SGA nominations (primary and alternate) are required due to the results of the November 5th General Election. Assignments to the SGA Board of Directors is a four-year term. The RLECWD Board nominations are conveyed to the Sacramento County Board of Supervisors for confirmation. It typically takes a couple of months for Board of Supervisors actions.

Failure to appoint and approve the appointment to the Executive Committee may result in the need for cancelation / postponement of the January 2025 meeting of the Executive Committee or temporary extension of the current appointments to the Executive Committee, followed by additional consideration for assignment at the January 2025 Board meeting.

Conclusion:

I recommend the newly elected President recommend Board Member assignments/appointments for 2025, and I further recommend the Board vote to confirm such assignments as required.

Consent Calendar Agenda Item: 5.3

Date:

December 18, 2024

Subject:

Financial Reports

Staff Contact: Timothy R. Shaw, General Manager

Recommended Committee Action:

The Executive Committee forwarded the Financial Report onto the December 18th Board agenda with the Committee's recommendation for Board approval.

Current Background and Justification:

The financial reports are for the District's balance sheet, profit and loss, and capital improvements year to date.

These financials are to be presented to the Board of Directors to inform them of the District's current financial condition.

Conclusion:

Board approval of the Consent Agenda incorporates approval of the October Financial Report.

General Manager Report

Staff Contact:

Timothy R. Shaw, General Manager

For the given month, I participated in the following recurring meetings and special events. Ongoing labor negotiations, temporary changes to public meeting location, and ongoing litigation issues required additional resources during this reporting period.

- 1. On November 28th and 29th, the District office was closed in observance of holidays.
- 2. On December 3rd, I met with the MOU Renewal Negotiations Ad Hoc Committee.
- 3. On December 9th, I met with Optimized Investments, who had "cold called" me offering dramatic increase dividends for District investments.
- 4. On December 11th, I participated in the monthly RLECWD Executive Committee meeting.
- 5. On December 12th, I corresponded with Legal Counsel (he called me) regarding the ongoing PERB complaint.

Throughout the reporting period, additional demands for resources were incurred from:

- Disruptions to routines stemming from ongoing negotiations.
- Corresponding with Legal Counsel on the PERB complaint.
- Scheduling around medical procedures.

The annual inflation matrix used in the District's COLA practices/policies was published by the Bureau of Labor Statistics and was 2.1% for the 12-months period ending 10-31-2024.

Fuel prices have trickled downward but are significantly higher in California.

DISTRICT ENGINEER'S REPORT

To: Tim Shaw, General Manager, Rio Linda / Elverta Community Water District

From: Mike Vasquez, PE, PLS, Principal (VE), Contract District Engineer (RL/ECWD)

Subject: District Engineer's Report for the 18 December 2024 Board of Directors Meeting

The District Engineer is pleased to submit this brief update of duties and tasks performed for the period of 21 November 2024 to 11 December 2024:

- 1. **2025/2026 FY Pipeline Replacement Project:** Staff has been developing priority water valve replacement locations to include as the preferred project alternative for next fiscal year's Capital Improvement Program's project.
- 2. Water Loss Standards and Water Use Efficiency: Staff has been preparing the District's Urban Water Use Objective annual report, pursuant to Assembly Bill 1668 and Senate Bill 606. The report is due to the State Water Board by 1/1/2025.
- 3. Lead Pipe Inventory (US EPA's Lead and Copper Rule Revisions): Staff assisted the Operations Superintendent with responding to comments from the State Water Board for the District's submitted lead service line inventory.
- 4. **Annual Capacity Fee Adjustments:** Staff prepared a draft Technical Memorandum evaluating a recommended adjustment to the District's 2025 Connection Fee. This will be discussed under a separate agenda item at the 12/18/2024 Board Meeting.

Please contact me at 530-682-9597, or email at gmvasquez@vasquez-engineering.com with any questions or require additional information.

Respectfully,

Mike Vasquez, PE, PLS, Principal (VE), Contract District Engineer (RL/ECWD)

Items for Discussion and Action Agenda Item: 6.3

Subject:

Annual Capacity Fee Adjustments

Staff Contact: Mike Vasquez, PE, PLS, Contract District Engineer

Recommended Committee Action:

This item was discussed at the December 11th Executive Committee. The Executive Committee recommends Board approval of the annual inflation adjustment of capacity fees.

Current Background and Justification:

Ordinance 2016-01 stipulates an annual adjustment for the RLECWD capacity fees be implemented on January 1st each year. Adjustment of capacity fees for inflation of construction costs is standard practice and delineated in the Ordinance. The Board needs to review the construction cost index report provided by the Contract District Engineer at the December Board meeting, then authorize the adjustment of capacity fees for inflation via adopting revision 7 to Exhibits in Resolution 2018-03.

Failure to adjust capacity fees is a lapse in the District's obligation to the existing customers, customers already having paid the capacity fees. Capacity fees directly correlate to the cost of current and future infrastructure. Lapses in the administration of the capacity fee program threaten the viability of the program.

Construction cost index data for December 2024 will not be available until 12/16/2024 (after preparation of this agenda item), therefore the recommended capacity fee adjustment amount will be verbally announced at the Board Meeting.

Conclusion:

I recommend the Board approve the adjustment for inflation of construction cost in the capacity fees by adopting Revision 7 to Exhibits 1 and 2 of Resolution 2018-03.

TECHNICAL MEMORANDUM

To: Tim Shaw, General Manager, Rio Linda/Elverta Community Water District

From: Mike Vasquez, PE, PLS, Principal (VE), Contract District Engineer (RL/ECWD)

Subject: 2025 Connection Fee Adjustment

Pursuant to Ordinance No. 2016-01, it is recommended that the Rio Linda/Elverta Community Water District (District) adjust connection fees by +0.75% in January 2025. The ordinance states: "The fees in this "EXHIBIT 2" shall increase annually based on the change in Engineering News-Record (ENR) magazine CCI for California each January 1, beginning January 1, 2017."

The adjustment percentage was calculated using ENR's Construction Cost Indexes (CCI). Ordinance No. 2016-01 uses "California" for reference data, and the only two California cities listed in the ENR index are San Francisco and Los Angeles.

The average yearly CCI change from January 2024 to December 2024 was -0.7% for San Francisco and +2.2% for Los Angeles. These two yearly change CCI's were taken from ENR's Cost Indexes by Cities for December 2024. The average of the two is +0.75% and is the recommended connection fee adjustment. ENR data and calculations are enclosed.

Respectfully,

VASQUEZ ENGINEERING

Mike Vasquez, PE, PLS

Principal (VE)

Contract District Engineer (RL/ECWD)

RESOLUTION NO. 2018-03

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE RIO LINDA/ ELVERTA COMMUNITY WATER DISTRICT TO AMEND EXHIBIT 1, WATER SERVICE CAPACITY FEES; EXHIBIT 2, FIRE PROTECTION FACILITIES FEES; AND EXHIBIT 3, WATER SERVICE INSTALLATION CHARGES, OF ORDINANCE 2016-01

WHEREAS, pursuant to California Government Code sections 66013 and 66016, the District Board of Director's approved Ordinance 2016-01 on September 19, 2016. The Ordinance stated the Water Service Capacity Fees and Fire Protection Facilities Fees would be adjusted annually based on the Construction Cost Index ("CCI") for California that is published in the Engineering News Record ("ENR") magazine each year; and

WHEREAS, the ENR magazine has published the CCI for California for January 1, 2018, which was 3.4%; and

WHEREAS, as indicated in the Bartle Wells Associates, Water Rate and Capacity Fee Study for the Rio Linda/Elverta Community Water District, Water Rate and Capacity Fee Study, completed on March 4, 2016, adjusting the Water Service Capacity Fees and Fire Protection Facilities Fees regularly is required to ensure that the fees charged for constructing additional facilities do not fall behind the cost of actually constructing those facilities.

NOW THEREFORE, BE IT RESOLVED by the Board of Directors of the Rio Linda/Elverta Community Water District as follows:

- 1. The fees detailed in Exhibit 1 of Ordinance 2016-01 shall increase by 3.4% based on the January 1, 2018 edition of Engineering News-Record ("ENR") magazine, as reflected on the attached updated Exhibit 1.
- 2. The fees detailed in Exhibit 2 of Ordinance 2016-01 shall increase by 3.4% based on the January 1, 2018 edition of Engineering News-Record ("ENR") magazine, as reflected in the attached updated Exhibit 2.
- 3. The fees detailed in Exhibit 3 of Ordinance 2016-01 shall remain the same, but Exhibit 3 shall be updated to reference the Exhibit 1 adopted by this Resolution 2018-03, as reflected in the attached Exhibit 3.

APPROVED AND ADOPTED by the Board of Directors of the Rio Linda / Elverta Community Water District on this 26th day of February 2018. By the following vote: 5-0-0

AYES: John Ridilla, Mary Harris, Mary Henrici, Brent Dills and Paul Green Jr.

Fees Adjusted by +0.75%

Rev. 7 Effective 1-1-2025

WATER SERVICE CAPACITY FEES

The provisions of Exhibit 1 of Ordinance No. 2016-01 are hereby amended and superseded by the following:

Water Service Capacity Fees

METER SIZE (IN INCHES)	DEVELOPER FEE
5/8	N/A*
3/4	N/A*
1	\$18,236.57
1 1/2	\$36,473.17
2	\$58,357.35
3	\$127,656.12
4	\$229,780.46
6	\$510,624.47
8	\$875,356.24
Greater than 8 inches	The fees shall reflect the actual costs of
	providing service capacity, and shall be
	approved through an agreement with the
	Board of Directors

^{*}Uniform Fire Code requires higher capacity so no less than 1" will be installed.

The above fees shall be charged based on the meter size installed at the service location in accordance with § 4.07.012 (2) of the Water Systems Regulations. In the event an existing service is upsized, the applicant shall pay the difference between the current rate for the existing meter size and the appropriate rate charged for the new meter size.

All Water Service Capacity Fees shall be paid prior to plan approval by the General Manager. Provided, however, commercial or industrial projects and residential projects or subdivisions involving more than four (4) units may be phased in accordance with an agreement approved by the Board of Directors. Water service will not be turned on prior to the receipt of the fees and the fee charged shall be that which is in effect at the time of receipt of payment by District.

The fees in this "EXHIBIT 1" shall increase annually based on the change in Engineering News Record ("ENR") magazine Construction Cost Index ("CCI") for California each January 1, beginning January 1, 2017.

Fees Adjusted by +0.75%

\$105.00 fee. Any subsequent violations shall be subject to a \$165.00 Fee and the water shall be turned-off until brought into	agreement with the Board of Directors.

The fees above shall be for dedicated fire service only. No other use is allowed on these water lines. In the event the private fire protection facilities are used for other purposes, the normal "Water Service Capacity" fee shall apply. Applicants shall be required to install meters and/or detector check valves and backflow devices to the satisfaction of the General Manager on all fire protection facilities. Minimum pipe sizes as indicated above shall be enforced.

Installation of Fire Protection Facilities shall be in accordance with Chapter 4.21 of the Water System Regulations as amended by **Resolution No. 2002-01-01**.

WATER SERVICE CONNECTION CHARGES

The provisions of Exhibit 3 of Ordinance No. 2016-01 are hereby superseded by the following:

Water Service Connection Charges

When a water service connection, as defined in §4.07.013 of the Water System Regulations, is proposed for installation, the District shall require payment in advance. The connection charges as required under §4.07.012(2) of the Water System Regulations shall be as follows:

Full Service Installation
1" Service with 5/8" x 3/4" Meter Outside Roadway with Main on Customer Side of Street \$3,400.00
1" Service with 5/8 x 3/4" Meter requiring street crossing using Boring Machine\$4,700.00
1" Service with 5/8 x 3/4" Meter in Improved Roadway\$5,500.00
Additional Cost for l" Meter\$100.00
Additional Cost for 1 ½" Meter
Additional Cost for 2" Meter\$1,000.00
Larger than 2" Meter
Meter Installation where Meter-setter & service-line is already installed
5/8 x 3/4" Meter\$400.00
1" Meter. \$500.00
1 1/2" Meter
2" or Larger Meter

The above fees shall be in addition to those charged in "Exhibit 1 WATER SERVICE CAPACITY FEES" of Resolution 2018-03.

ORDINANCE NO. 2016-01

AN ORDINANCE OF THE BOARD OF DIRECTORS OF THE RIO LINDA/ELVERTA COMMUNITY WATER DISTRICT AMENDING ORDINANCE NOS. 2007-01 AND 2013-01 TO MODIFY DISTRICT WATER SERVICE CAPACITY FEES, FIRE PROTECTION FACILITIES FEES AND WATER SERVICE CONNECTION CHARGES

WHEREAS, Government Code sections 66013 and 66016 authorize the Rio Linda/Elverta Community Water district (the "District") to adopt a resolution or ordinance to establish and impose a water capacity charge; and

WHEREAS, pursuant to California Government Code sections 66013 and 66016, the District Board of Directors ("Board of Directors") adopted Ordinance No. 2007-01 on August 20, 2007, modifying rates, fees and charges for services and development; and

WHEREAS, Government Code sections 66013 and 66016 authorize the District to adopt a resolution or ordinance to increase an existing water capacity charge; and

WHEREAS, the District adopted Ordinance No. 2013-01 on October 21, 2013, modifying fees and charges for fire protection, water hydrant usage and other miscellaneous services; and

WHEREAS, each person or entity wanting to connect to the District's water system will share the cost for District facilities, including but not limited to treatment, production, storage and major transmission facilities; and

WHEREAS, the Board of Directors desires to modify the District's water capacity charges, to finance current and future capital improvements necessitated by development within the District's boundaries, as the District's existing water facilities, capacity and current capacity charge cannot adequately satisfy the demands of anticipated new development; and

WHEREAS, the capital facilities currently required to serve new development, such as a proposed surface water supply and treatment facility, will require significant financial investment; and

WHEREAS, the District desires to reduce the cost of long-term capital investments through regional collaboration, grant funding and other forms of financing, in addition to capacity fees; and

WHEREAS, members of the public have had the opportunity to make oral or written presentations to the Board of Directors on the proposed water capacity charge during District meetings held on March 21, 2016, April 19, 2016, May 16, 2016 and August 15, 2016; and

WHEREAS, the District published notice of the initial public hearing, including a general explanation of the matter to be considered, at least ten days before the hearing as required by Government Code sections 6062a and 66018; and

WHEREAS, at least ten days before the public hearing, the District made data publicly available that indicates (1) the estimated cost required to provide the water capacity services for

which the District is levying the water capacity charge and (2) the revenue sources anticipated to provide such service, all according to Government Code section 66016; and

WHEREAS, the above-described data sets forth reasonable cost estimates for the District's provision of improved and new water facilities and establishes that the proceeds generated by the increased water capacity charges do not exceed the total of the estimated costs; and

WHEREAS, the District finds it is in the best interest of public health, safety and welfare to increase the District's water capacity charges to cover the costs of water facilities and necessary improvements within the District; and

WHEREAS, the District finds that the District's water capacity charges should be reduced, in the event that the actual costs for certain facilities are significantly reduced through regional collaboration, grant funding or other forms of financing.

NOW, THEREFORE, THE BOARD OF DIRECTORS OF THE RIO LINDA/ ELVERTA COMMUNITY WATER DISTRICT HEREBY DETERMINES AND ORDAINS AS FOLLOWS:

Section 1. Recitals. The above recitals are true and correct and incorporated herein.

Section 2. <u>Amendment</u>. Ordinance No. 2007-01 is hereby amended to adopt the Water Service Capacity Fees set forth in Exhibit 1 attached hereto, which shall be adjusted annually on January 1, without further action by the Board of Directors, to reflect the annual change in construction costs, as calculated by the Engineering News Record Construction Cost Index-California.

Section 3. <u>Amendment</u>. Ordinance No. 2013-01 Exhibits 1 and 2 are hereby amended to adopt the Fees set forth in **Exhibit 2** and **Exhibit 3**, which shall be adjusted annually on January 1, without further action by the Board of Directors, to reflect the change in the Engineering News Record magazine Construction Cost Indices.

Section 4. <u>Best Effort</u>. The District shall use its best efforts for regional collaboration, or to independently apply for grant funds, to reduce actual costs to the District in developing surface water supply and treatment serving new development in the District. In the event that regional collaboration or the independent procurement of grant funds results in an actual reduction in the cost of developing surface water supply and treatment, the District shall endeavor to reasonably adjust the then-existing capacity fees to account for the net reduction in capital costs, while factoring administrative and other reasonable costs in any such reduction.

Section 4. <u>California Environmental Quality Act Compliance</u>. Pursuant to California Public Resources Code section 21080(b)(8), the requirements of the California Environmental Quality Act do not apply to water capacity charge increase, as the increase caused by this Ordinance constitutes the modification of charges to meet operating expenses and for obtaining funds for capital projects to provide and maintain water service within the District.

Section 5. Ordinance Effective Date. This Ordinance shall be effective thirty (30) days after the date of its second reading and adoption; a summary shall be published once, with names of members voting for and against the same in a newspaper of general circulation published in the County of Sacramento. A certified copy of the full text of this Ordinance shall be posted at the office of the Clerk of the District Board of Directors, 730 L St, Rio Linda, CA 95673, with the names of those Board Members voting for and against the Ordinance.

APPROVED AND ADOPTED by the Board of Directors of the Rio Linda/Elverta Community Water District on this 19th day of September, 2016.

AYES, in favor hereof Brent Dills, Mary Harris, John Ridilla, Mary Henrici, and Paul Green

WATER SERVICE CAPACITY FEES

The provisions of Exhibit 1 of Ordinance No. 2016-01 are hereby amended and superseded by the following:

Water Service Capacity Fees

METIER SIZE (IN INCHES)	DEVELOPER REE
5/8	N/A*
3/4	N/A*
1	\$14,160.44
1 1/2	\$28,320.89
2	\$45,313.64
3	\$99,123.12
4	\$178,421.18
6	\$396,492.46
8	\$679,701.38
Greater than 8 inches	The fees shall reflect the actual costs of providing service capacity, and shall be approved through an agreement with the Board of Directors

^{*}Uniform Fire Code requires higher capacity so no less than 1" will be installed.

The above fees shall be charged based on the meter size installed at the service location in accordance with § 4.07.012 (2) of the Water Systems Regulations. In the event an existing service is upsized, the applicant shall pay the difference between the current rate for the existing meter size and the appropriate rate charged for the new meter size.

All Water Service Capacity Fees shall be paid prior to plan approval by the General Manager. Provided, however, commercial or industrial projects and residential projects or subdivisions involving more than four (4) units may be phased in accordance with an agreement approved by the Board of Directors. Water service will not be turned on prior to the receipt of the fees and the fee charged shall be that which is in effect at the time of receipt of payment by District.

The fees in this "EXHIBIT 1" shall increase annually based on the change in Engineering News Record ("ENR") magazine Construction Cost Index ("CCI") for California each January 1, beginning January 1, 2017.

FIRE PROTECTION FACILITIES FEES

The provisions of Exhibit 2 of Ordinance No. 2016-01 are hereby amended and superseded by the following:

Fire Protection Capacity Fees

PRIVATE FIRE HYDRANTS	SPRINKLER SYSTEM LINES
6 INCH (minimum) - \$18,278.29	1 inch (minimum) - \$652.53
8 INCH - \$31,334.21	1½ inch - \$1,306.13
10 INCH - \$49,612.50	2 inch - \$2,088.73
12 INCH - \$65,279.61	3 inch - \$4,569.85
GREATER THAN 12 INCH – The fees	4 inch - \$8,224.85
shall be relative to the charges above and	
increase in proportion to the size of the	
pipe. The fee shall be approved through an	
agreement with the Board of Directors.	
Penalty for Unauthorized Use	6 inch - \$18,278.29
of Fire Lines	8 inch - \$31,334.21
Use of fire lines for purposes other than	Greater than 8 inch – The fees shall be
fire suppression, system testing or system	relative to the charges above and increase
repair shall constitute unauthorized use.	in proportion to the size of the pipe. The
Such unauthorized use shall be subject to a	fee shall be approved through an
\$105.00 fee. Any subsequent violations	agreement with the Board of Directors.
shall be subject to a \$165.00 Fee and the	
water shall be turned-off until brought into	
compliance.	
	\$4.12 Bi-monthly for 1.5-inch service.
Fire Protection Facilities Flat Rate Charge	\$10.00 per diameter inch for 2-inch and
	above service diameters – Bi-monthly

The fees above shall be for dedicated fire service only. No other use is allowed on these water lines. In the event the private fire protection facilities are used for other purposes, the normal "Water Service Capacity" fee shall apply. Applicants shall be required to install meters and/or detector check valves and backflow devices to the satisfaction of the General Manager on all fire protection facilities. Minimum pipe sizes as indicated above shall be enforced.

Installation of Fire Protection Facilities shall be in accordance with Chapter 4.21 of the Water System Regulations as amended by Resolution No. 2002-01-01.

WATER SERVICE INSTALLATION CHARGES

The provisions of Section 1, 2 and Exhibit 2 of Ordinance No. 2013-01 are hereby amended and superseded by the following:

Water Service Connection Charges

When a water service connection, as defined in §4.07.013 of the Water System Regulations, is proposed for installation, the District shall require payment in advance. The connection charges as required under §4.07.012(2) of the Water System Regulations shall be as follows:

Full Service Installation
1" Service with 5/8" x 3/4" Meter Outside Roadway with Main on Customer Side of Street
\$3,400.00
1" Service with 5/8 x 3/4" Meter requiring street crossing using Boring Machine
\$4,700.00
1" Service with 5/8 x 3/4" Meter in Improved Roadway\$5,500.00
Additional Cost for I" Meter\$100.00
Additional Cost for 1 ½" Meter
Additional Cost for 2" Meter
Larger than 2" Meter
Meter Installation where Meter-setter & service-line is already installed
5/8 x 3/4" Meter\$400.00
1" Meter
1 1/2" Meter\$600.00
2" or Larger MeterTime and Materials

The above fees shall be in addition to those charged in "Exhibit 1 WATER SERVICE CAPACITY FEES" of Ordinance 2016-01.

WATER SERVICE CAPACITY FEES

The provisions of Section 2 of Ordinance No. 2007-01 are hereby amended and superseded by the following:

Water Service Capacity Fees

METIDR SIZE (IN INCHES)	DEVELOPER DEE
5/8	N/A*
3/4	N/A*
1	\$13,064.00
1 1/2	\$26,128.00
2	\$41,805.00
3	\$91,448.00
4	\$164,606.00
6	\$365,792.00
8	\$627,072.00
Greater than 8 inches	The fees shall reflect the actual costs of
	providing service capacity, and shall be
	approved through an agreement with the
	Board of Directors

^{*}Uniform Fire Code requires higher capacity so no less than 1" will be installed.

The above fees shall be charged based on the meter size installed at the service location in accordance with § 4.07.012 (2) of the Water Systems Regulations. In the event an existing service is upsized, the applicant shall pay the difference between the current rate for the existing meter size and the appropriate rate charged for the new meter size.

All Water Service Capacity Fees shall be paid prior to plan approval by the General Manager. Provided, however, commercial or industrial projects and residential projects or subdivisions involving more than four (4) units may be phased in accordance with an agreement approved by the Board of Directors. Water service will not be turned on prior to the receipt of the fees and the fee charged shall be that which is in effect at the time of receipt of payment by District.

The fees in this "EXHIBIT 1" shall increase annually based on the change in Engineering News Record ("ENR") magazine Construction Cost Index ("CCI") for California each January 1, beginning January 1, 2017.

The above fees shall be in addition to those charged in "Exhibit 1 WATER SERVICE CAPACITY FEES" of Ordinance 2016-01.

Items for Discussion and Action Agenda Item: 6.4

D	ate:	
---	------	--

December 18, 2024

Subject:

Authorize any new Board Member Assignments (committees and other) announced

by the Chair pursuant to District Policy 2.01.065

Staff Contact: Timothy R. Shaw

Recommended Committee Action:

N/A, this is a standing item on all regular meeting agendas.

Current Background and Justification:

This standing item may be necessary for the Month of December because the Board typically appoints all new assignments at this meeting.

District policy and various statutes stipulate Board approval of any Board Member assignments.

Generally, this is a standing item, which occurs on every regular meeting agenda.

Conclusion:

I recommend the Board consider approving any specific nominations and assignments as may be deemed necessary and appropriate.

PENDING AND COMPLETED ITEMS 12-18-2024 BOARD OF DIRECTORS MEETING

- 1. Annual Inflation Adjustment for Drinking Water Capacity Fees There is an item on the 12-18-2024 Board agenda to authorize the adjustments stipulated in Ordinance 2016-01. Pending
- 2. Sampling all wells for hexavalent chromium The State Water Resources Control Board finalized the 10-Parts per Billion hexavalent chromium MCL on 7-24-2024. The clock for sampling all sources commences on 10-1-2024 Pending
- 3. Sampling for PFOAs The State Water Board has notified the District of its requirement that we analyze all wells for PFOAs. The first round of sampling entails quarterly sampling at each well Pending
- 4. Submittal of a Compliance Plan to the State Water Resources Control Board When (not if) the wells samples show hexavalent chromium above 10-Parts per Billion, the District will be required to submit a Compliance Plan to the Division of Drinking Water within 90-days, estimated to be due around December 2024. -Pending
- 5. District outreach to customers following implementation of a new rate structure focused on consumption in compliance with SB 606 / AB 1668 requirements The Customer Service / Conservation Coordinator continues her practice of outreach to customers with indications of abnormal water consumption. Pending
- 6. Mandated Board Member Training We unraveled the mystery on this topic, which was described in last month's report (11-25-2024). The source of confusion stemmed from two assignments of the same course, Harassment Prevention. One of the two courses was assigned by me and completed by the Board Member. The other assignment was self-assigned by the Board Member. We now have the Certificate of Completion for Harassment Prevention training for this Board Member. The mandatory Ethics training remains incomplete Pending
- 7. Cost of Service Reductions to Mitigate Inflation —Staff continues to seek out inflation mitigation measures. The District has not given up on this effort. However, more pressing and more timesensitive issues have subjugated this effort. Pending
- 8. Annual Water Loss Audit The Water System Superintendent completed his annual water loss audit. The validator (me) has renewed his license and can now complete the validation of the water loss audit as time permits. **Pending**
- 9. **Replacing the Oldest Workstations** The two oldest workstations (desktop computers) are now nearly 7 years in service. The District requested and received recommendations from Adept Solutions on replacing the two oldest work stations. **Pending**

Minutes

Rio Linda / Elverta Community Water District Executive Committee

December 11, 2024 @ 6:00 P.N

Call to Order: 6:00 P.M.

This meeting was attended by Director Cline, Director Green (subbing for Director Gifford), General Manager Tim Shaw, and Contract District Engineer Mike Vasquez

Public Comment: There were no public members in attendance.

Items for Discussion:

1. Contract District Engineer's Update.

Mike Vasquez presented his written report and the Committee engaged Mike in discussion about the scope of infrastructure improvements needed, e.g. the leaking cross valves at Silver Tree Ct.

2. Annual Capacity Fees Adjustment for Construction Cost Inflation.

Mike Vasquez presented his written report.

The Executive Committee recommends the Board authorize the annual inflation adjustment to the Drinking Water Capacity Fees.

3. Discuss Swearing-In for New Board Member and Elections & Assignments of Board Offices (e.g., Chair, Vice Chair, Sacramento Groundwater Authority etc.)

The General Manager presented his written report.

The Executive Committee recommends a special meeting at 6:00 P.M. on December 18^{th} (immediately prior to the start of the regular meeting) to perform the swearing in of newly elected RLECWD Board Members.

4. Discuss Expenditures for October.

The Executive Committee recommends Board approval of the October Expenditures.

5. Discuss Financial Reports for October.

The Executive Committee recommends Board approval of the October Financial Report.

Directors' and General Manager Comments:

• The General Manager reminded everyone that the December 18th Board meeting will be at the Community Center, 810 Oak Ln, Rio Linda.

Items Requested for Next Month's Committee Agenda: None

Adjournment: 6:17 P.M.

The President of the

ACWA JPIA

hereby gives Special Recognition to

Rio Linda/Elverta Community Water District

for achieving a low ratio of "Paid Claims and Case Reserves" to "Deposit Premiums" in the Liability Program for the period 10/01/2020 - 09/30/2023 announced at the Board of Directors' Meeting in Palm Desert.

Mily McDorald

Melody McDonald, President

December 02, 2024
